

Strategic Plan

2019 – 2021

Our commitment

We invest in knowledge and expertise in education, training, children's services and community-based initiatives.

We strive to be leaders in our field and will move the organisation forward to deliver even greater success.

We will continue to be financially astute to ensure we provide quality services, always seeking and creating opportunities to grow in line with our strategic vision.

We will continue to build and strengthen our relationships with key stakeholders and explore all opportunities and partnerships to enhance our services.

We will embed a culture of continuous improvement in all aspects of our business.

We embrace everyone's cultural diversity, values, traditions, life experiences and knowledge.

Our vision

To enhance the lives, capabilities and opportunities in our community

Our mission

To deliver our vision by working towards a sound and sustainable outcomes through flexible education, training and support

Our values

Integrity - We do what we say, and we stay true to our values and commitments

Respect - We respect those in our community, and we actively seek to engage all stakeholders

Quality - The quality of our services will not be compromised

Community School

- Develop a targeted educational model that supports students to build skills for a successful life
- Develop the facilities and services at Yarra Junction and Mt Evelyn to ensure greater student and community outcomes are achieved
- Expand the service offering beyond years 7 – 12 to meet the needs of our community
- Explore the options of an additional campus, in a different geographic region to increase our ability to meet community needs

Children's Services

- Provide an educational program that will stimulate learning and prepare children for future schooling
- Develop and refine the services to ensure we are meeting community needs
- Explore the options of expanding our services in other geographic regions to increase our ability to meet community needs
- Engage with our community to determine the need for any additional services or refinement of existing services

Education & Training

- Expand and refine service offerings to maximise the employment opportunities for our students and support local businesses
- Invest in training facilities to increase our ability to train and support social enterprise
- Provide greater opportunity for our students to participate in community projects

Community Hubs

- Increase the number and range of community activities, so our hubs better meet the needs of the community we serve
- Ensure we maintain a local presence which serves as a hub for the community
- Continue to engage the community to identify specific needs and where appropriate, meet those needs
