## What have we been doing this term.

At Badger Creek OSHC we have been celebrating Diversity week with a trip around the world! The children all received their very own passport. They were able to complete different experiences based on different countries and had their passport stamped for each of these destinations.

In France we worked together to build our very own Eiffel tower out of newspapers, in Russia we made babushka dolls, in Japan we made Origami, in Italy we ate pizza, in India drew henna and in New Zealand we even made our own Maori jewellery plus many, many more.

The children really enjoyed this experience and were excited to participate and get stamps on their passports.

We so celebrated International Women's Day by drawing and writing about the women in our lives that inspire us. Many of the children were inspired by their mothers, sisters and teachers. I would also like to remind parents to ensure, they either send a text message or contact us on the number below, to let us know if your children do not require care on their booked in days. We can be contacted on 0499 400 250.

We are looking forward to a fun filled, engaging year ahead, working alongside your children in assisting them to reach their full potential. If you have any ideas, concerns or would just like to have a chat, please feel free to give us a call, or drop in between our hours of operation.

## Holiday Program

Term 1 is drawing to a close with the school holidays only a week away. Attached is our vacation care program for term break Monday 8th April to Thursday 18th April 2019. Easter is at the end of the holidays so the holiday program operates for 9 days. There are some really fun activities and many of the days are booking fast with places limited.

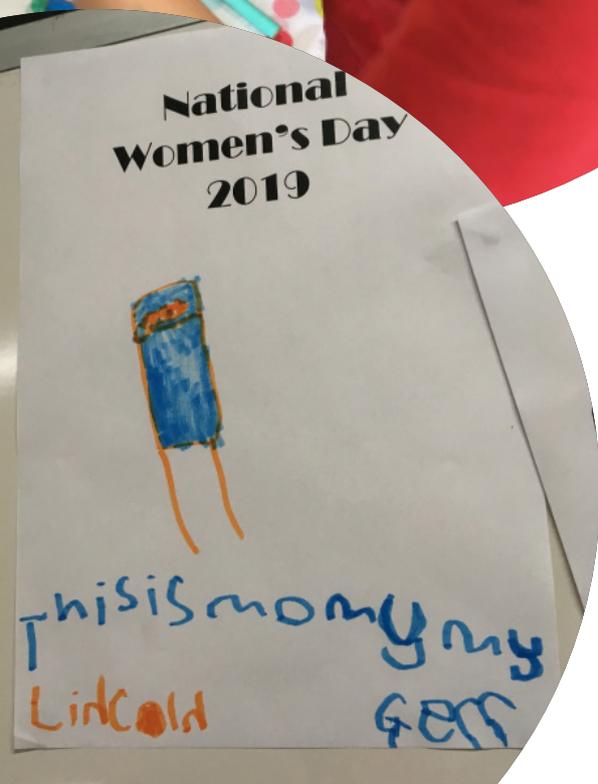

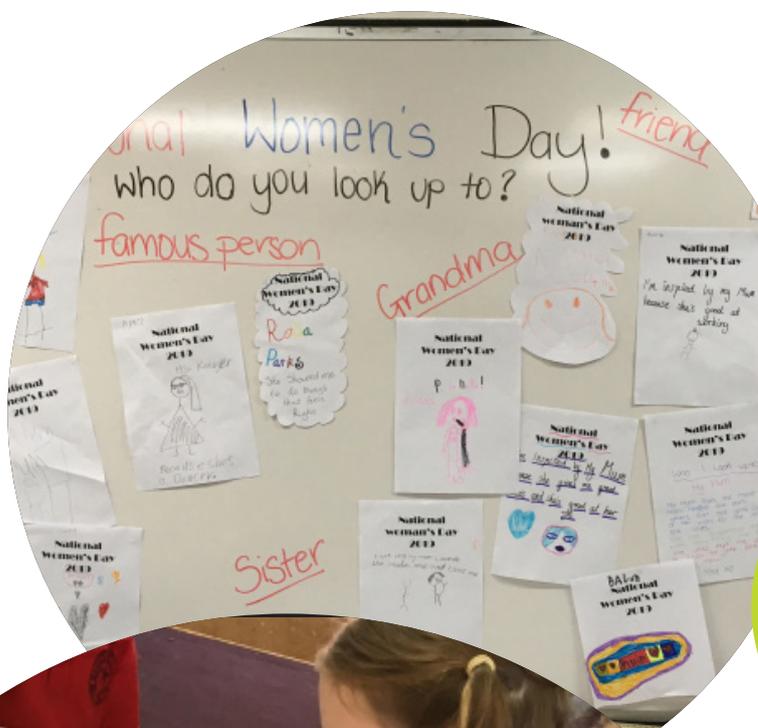

We are really looking forward to our fun filled Easter vacation program.
