Recycling fun

Save your paper rolls and use them to make people, instruments or building blocks.

THReading

Dig into the sewing kit and make fun necklaces or bracelets for the family.

collage

Create a masterpiece by using random paper scraps like old magazines, foil, cardboard and your preferred glue.

more ideas!

Display coloured cellophane in your windows for a stain glass window effect or tape contact paper to a table with the sticky side facing up, tack your art directly onto the paper.

Your creation really is only limited by your imagination.

cleaning activities

Toddlers are amazing at wiping the tables, sweeping the floors and packing away toys especially when you turn it into a game

You can even turn up the music and dance while you clean.
