Language, Literacy and Numeracy assistance

Students enrolling in a Cire Training accredited course will be asked to undertake a Literacy, Language and Numeracy activity. This is to ensure that you have the required skills to complete the course successfully. Students who need assistance will be offered support through a class or individual support program.

Access to learning allows individuals to take up work options that provide personal fulfilment, financial independence and enhanced community participation. Cire's training and assessment methods are flexible, varied and offer reasonable adjustments to ensure all students are given a fair opportunity to achieve a qualification.
