SING-A-LONG

Join in to be a part of something special for Children's Week

We're asking people in the community to participate by making a video singing 'You've got a friend in me'. The theme for Children's Week 2020 is the right of all children to choose their own friends and safely connect with others.

Unfortunately due to the restrictions we can't host our beloved picnics so we decided to get together virtually and sing a song about friendship

We invite you to take part in the project by submitting a video of you, your family or even pets singing the song "You've Got a Friend in Me".

Due to the large size of videos, we ask you to please submit your entries via www.wetransfer.com.au. Once you have uploaded your video to WeTransfer, please send file to marketing@cire.org.au
