Look forward to gaming with you all!

### Feeling bored in the afternoon?

Miss the days before technology when game nights used to be a weekly tradition? If you said 'yes' to either of those, then be sure to check out our "Board Games and Buddies" social group from out of both of our Community Hub.

Come along and play a different board game each week with fellow community members, and reminisce of a time before screens took over.

Tea, coffee, and biscuits provided!

**Cost : Gold coin donation** per session
