March 2022 Edition

From the Director's Desk

Dear Families,

Wow I can't believe that we have already reached the end of term one. It has been amazing to see all the children back for the whole term with no interruptions to their learning.

As we approach the school holidays just a quick reminder that we have vacation care at both our Woori Yallock and Badger Creek sites. Lots of different exciting things happening at both services. If you would like any further information please contact the educators at your service or email Amanda at amandaquilty@cire.org.au. We look forward to seeing you all at vacation care.

Just a reminder that once your children have had their Covid vaccination/s can you please send us their updated immunization history statements. If there is any changes in your information can you please keep us updated so that we can update our records.

If you are still having difficulty logging into the Xplor app, can you please let me know at the above email address and I will send you a new link to set up the app.

We hope that you all have an enjoyable school holidays and look forward to seeing you back at school in term 2.

From the Coordinator

Well Term 1 seems to have gone by so quickly.

This year's preps have settled in like they have been attending for years.

This month in OSHC the children have been enjoying a range of activities, from sports outside in the lovely weather to challenging activities inside.

We have some very sporty children at the service, basketball, cricket, tennis, hockey, they join in all of them.

The challenging games we have had are, water bottle flip challenge, plastic cup challenge and of course, the kids favourite, Lego challenge.

It is great to see the children working together, all having their input considered.

A few reminders:

- If your child will be absent, could you please let us know
- Before School Care breakfast finishes at 8am
- Kids to bring drink bottles
- Our Easter holiday program is running again and. booking are now being taken

If you would like to know about the holiday program don't hesitate to drop into the OSHC service to pick up a booking form and program of activities.

We are always available to chat so don't hesitate to say Hi!
