

CIRE TRAINING WORKSKILLS

Be work ready - A range of essential accredited short courses delivered at Cire or your designated location.

HLTAID009

Provide Cardiopulmonary Resuscitation (CPR)

Course overview

This course is designed to give students the skills and knowledge necessary to assist a person requiring CPR or a defibrillator until medical assistance arrives. Renew skills and knowledge in line with the Australian Resuscitation Council (ARC) guidelines

Who should attend?

If you are a first aid officer, have first aid as part of your vocational qualification or you work with children, this qualification could be a mandatory requirement. It must be renewed annually. CPR is an invaluable skill for parents and guardians.

Delivery mode

Classroom - 2 hours including theory based learning and practical hands on learning

Price

\$75

Statement of attainment:

On successful completion of this course you will be presented with a CPR certificate and CPR wallet card.

Course topics

- Basic life support techniques
- Responding to an emergency
- Performing CPR
- Using a defibrillator

"If **CPR** is started within the first minute of someone going into cardiac arrest they have an 80% chance of **survival**."

- Australian Red Cross
