

# CIRE TRAINING WORKSKILLS

Be work ready - A range of essential accredited short courses delivered at Cire or your designated location.

WORKSKILLS

HLTAID009

## Provide Cardiopulmonary Resuscitation (CPR)

### Course overview

This course is designed to give students the skills and knowledge necessary to assist a person requiring CPR or a defibrillator until medical assistance arrives. Renew skills and knowledge in line with the Australian Resuscitation Council (ARC) guidelines

### Course topics

- Basic life support techniques
- Responding to an emergency
- Performing CPR
- Using a defibrillator

### Who should attend?

If you are a first aid officer, have first aid as part of your vocational qualification or you work with children, this qualification could be a mandatory requirement. It must be renewed annually. CPR is an invaluable skill for parents and guardians.

### Delivery mode

Classroom - 4 hours including theory based learning and practical hands on learning

### Price

\$75

### Statement of attainment:

On successful completion of this course you will be presented with a CPR certificate and CPR wallet card.

"If **CPR** is started within the first minute of someone going into cardiac arrest they have an 80% chance of **survival**."

- Australian Red Cross
