The Easter holidays are just around the corner. Reward your child with fun and excitement by attending one of our affordable workshops at the hub these school holidays. From games to exploring with science, there is something for everyone. Book your child in today!

Science Magic - 4 to 8 yrs

Join us for a holiday session filled with hands-on experiments and mesmerising demonstrations led by experienced educators. Children will uncover the secrets behind each illusion, from bubbling potions to disappearing acts, sparking curiosity and critical thinking. Engage in interactive activities to explore the wonders of science and be amazed by its enchanting possibilities.

Friday 5th April, 12pm to 12.45pm

Cost: \$15pp

Codin' and Rollin' - 7 to 13 yrs

Dive into the world of programming and robotics, learning how to control Sphero robots through hands-on activities and tutorials. Led by expert instructors, this dynamic session promotes collaboration, problem-solving, and creativity as young coders uncover the endless possibilities of coding. Get ready to roll, code, and conquer with Codin' and Rollin' where fun meets technology for an unforgettable learning adventure!

Monday 5th April, 1pm to 1.45pm
