

FICE Upcycling and Eco

CRAFTING

Workshops

Join our vibrant community of upcyclers and eco-crafting enthusiasts!

Our program offers a series of workshops designed to ignite creativity, foster community connections, and promote sustainable practices through crafting and creativity.

Discover the art of upcycling and gain valuable insights into sustainability. Explore techniques like garment deconstruction and creative design.

Topics include community crafting circle, collaborative upcycling projects, skill-sharing workshops, zero waste sewing, eco-friendly home décor, recycled paper art, and more.
