

Cire Training's CHC32015 Certificate III in Community Services

We are here to work with you in supporting your clients to re-enter the workforce with a sense of readiness, experience, and confidence.

This course is an excellent opportunity for women to acquire the necessary skills for working in the community services sector. The program is designed to provide wrap-around support to your clients, focusing on developing workplace skills and establishing stable and sustainable strides toward employment.

Throughout the course, your client will learn how to effectively communicate with diverse populations, maintain workplace health and safety, provide administrative support, and respond to clients in a professional manner. With a focus on empowering women in their journey toward employment, this program offers a unique opportunity to gain valuable skills and contribute to the community services sector.

Why choose Cire Training?

We are dedicated to providing individual support to all our students, ensuring every opportunity for success by tailoring the program to their circumstances. Our campus is conveniently located just minutes from Lilydale railway station, with small and welcoming classrooms that offer school-friendly class times.

As a special perk, all students receive a complimentary FICE styling session, outfit, and a luxurious pamper pack worth \$200.

We understand the challenges of re-entering the workforce and are fully committed to supporting your clients every step of the way.
